INTRODUCTION

**Phyre Apparel began with one simple goal:
To make premium quality sportswear with
exceptional designs available to grassroots
sports clubs at an affordable cost.**

After travelling across the globe to source the finest quality fabrics and suppliers, and with 15 years experience in the custom apparel industry Phyre Apparel began trading in 2016. The brand has gained recognition throughout the sporting landscape in Australia and around the world, supplying teams in countries like the UK, USA, Canada, Singapore, New Zealand and The Philippines.

We design and produce custom gear with your logo, sponsors logos, in your colours and in a design of your choice from our extensive catalogue. Alternatively we can fully customise a design to suit your requirements. Our high performance teamwear range is manufactured for strength and endurance, using the finest quality polyester fabrics

to ensure no compromise of the design or garment itself.

100% Australian owned, Phyre Apparel are based on Queensland's Gold Coast, specialising in apparel for sporting associations as well as educational institutions, businesses and community ventures. With an in-house Art Department many believe to be the best in the business, Phyre Apparel is at the forefront of cutting-edge apparel design.

"Our priority is to continue to provide professional reliability and an exceptional level of service to our customers, while producing innovative apparel based on the highest standard of fabrics, fit, design and performance."

Get in touch today to find out what Phyre Apparel can do for your team.

RUGBY LEAGUE/UNION JERSEY

Phyre Rugby League/Union Jerseys are available in Premium or Elite Pro-Cut and feature 6 neckline selections: Elite, V-Neck, Round Neck, U-Neck, Y-Neck & Traditional Collar.

Manufactured using our 280g Exodry (95% Polyester, 5% Spandex) or 4D Stretch (91% Polyester, 9% Spandex) fabrics our jerseys provide unrivalled durability, comfort & performance. The fabric features cutting-

edge moisture management properties with excellent breathability, keeping athletes cool and dry. Phyre jerseys feature reinforced seams and a taped collar for extra strength.

Our Elite Pro-Cut Jerseys are professional grade, utilising the finest quality spandex polyester for elasticity. The fitted cut ensures the highest possible comfort level of the athlete, with custom silicon grip on the chest and embroidered logos for that extra touch of class.

*"The guys at Phyre Apparel were an absolute pleasure to deal with, no job was too big or too small.
The quality of kit and turn around time surpassed our expectations.
Their unique designs and quality kit have really put our company on the front foot and separated us from the crowd.
We're looking forward to dealing with them time and again."*

“The guys at Phyre Apparel are fantastic! As a ‘difficult customer’, we wanted multiple sizes to suit Under 8s to Seniors in a couple of different designs and all uniquely numbered. The guys handled all our requirements and put together new custom pattern templates for our smallest players, did multiple designs and couldn’t do enough for us. A timely, cost effective and awesome service that has met our needs on several occasions! Keep it up Phyre Apparel!!”

"Hutchinson Builders have never looked so deadly thanks to the guys at Phyre Apparel. They have supplied gear for our people on-site, to office wear and company merchandise. The guys have always been a pleasure to deal with from concept, to design and delivery. Nothing is too much trouble. They have even helped out a number of Hutchies staff with the shirts and jerseys for various social sporting teams. They do an amazing job, with quality materials and I couldn't speak highly enough."

FAQ'S

HOW LONG DOES IT TAKE TO SEE A CUSTOM DESIGN?

We will do our absolute best to send you some concept artwork within a couple of days of your enquiry however due to demand it may sometimes be longer. You should have your artwork within 5 business days but if you feel you are waiting too long, feel free to send a friendly follow up email.

DO YOU REQUIRE A DEPOSIT?

For orders over \$1000.00AUD we require 50% of payment to be paid upon receiving your invoice. We require the remaining 50% to be paid prior to delivery. For orders under \$1000.00AUD we require the invoice to be paid in full before we begin production. This allows us to cover manufacturing costs and avoid any delays.

WHAT IS THE PRODUCTION LEAD TIME?

Delivery is typically 3 - 5 weeks after the final approval of artwork and payment of deposit. We can't ship your order until full payment is made for obvious reasons. Lead time will depend on the size of your order and the volume of work in our system. If your order is required for an event in under 3 weeks arrangements can be made.

CAN I HAVE CUSTOM NAMES AND NUMBERS ON MY ORDER?

Certainly! Numbers are already accounted for in the overall cost and custom names are \$5.00AUD per garment.

MINIMUM ORDER QUANTITY?

- Sublimated Apparel – 10 Units
- Bags – 25 Units
- Headwear – 25 Units
- Knitted Seniors Jerseys - 25 Units

DOES PHYRE APPAREL DO PACKAGE DEALS?

Certainly do! If you require more than one item, for example jersey, shorts, socks and polo for your rugby league club or a singlet and shorts for your touch team simply contact us and we'll structure a package deal at a discounted rate to suit your requirements.

I CAN'T FIND MY SPORT OR ITEM IN YOUR CATALOGUE.

Can't find a design you like? Like one but want to see it in a different colourway? Maybe you want to add some logos or matching shorts? Or perhaps you'd like to see the same design on a different style of shirt? Phyre Apparel customise hundreds of different garment types for every sport imaginable so get in touch today and our creative team will fully customise a design to suit your needs.

Phyre Apparel also create teamwear for:

- American Football • Athletics • Baseball • BMX • Cricket • Darts • Field Hockey • Golf • Ice Hockey • Lacrosse • Lawn Bowls • Motorsport • Roller Derby • Softball • Tenpin Bowling • Volleyball • Wrestling

I CAN'T FIND MY SIZE IN THE CHART.

No problem! We can create a custom size to suit your requirements if we don't already have your size on file. This service may incur an extra fee if we need to amend any patterns.

I'M READY TO ORDER! NOW WHAT?

Placing an order with Phyre Apparel is easy; simply get in touch and we'll guide you through the ordering process. Our in-house design team will provide you with exclusive concept artwork in your custom colours. Every design can be customised to suit your requirements and we can add your club and sponsors logos to the design.

At Phyre Apparel, high quality service is fundamental to us. We ensure you're provided with honest, consistent lead times and we maintain communication throughout the production and delivery process.

Lead times can differ slightly depending on the time of year you place your order, the items in your order, the total amount of units in your order and the volume of work that we have in our system. All orders are signed off by the customer for final approval before production commences.

SUBLIMATION

Phyre Apparel specialises in a garment manufacturing process called Sublimation, a method of applying an image to fabric. Using specially formulated inks, large direct print processors lay down reversed imagery onto transfer paper which is then heat pressed into the fabric. Many fabrics can be used in the sublimation process but Phyre Apparel's garments are predominantly anti-shrink, breathable, quick dry polyester.

Our custom range of sportswear takes advantage of the latest sublimation technology, allowing us to precisely match your club colours. There are no extra costs unlike processes like embroidery and screen printing. All artwork is directly applied to the fabric giving a professional and seamless finish.

THE SUBLIMATION ADVANTAGE

- Design and colours are virtually infinite. From simple shapes and colours to blends,
- highly detailed designs and photographic images.
- Names and numbering can also be produced, which eliminates the need to have thick, heavy plastic numbers on the back.
- Club logos and sponsors can also be included in the design in full colour.
- Fade Resistant; No compromise on the colour and detail, no cracking and no fading.
- Low minimums; Due to removing the need for screen setups and the costs involved, it's more efficient to produce smaller runs of clothing.

TEAM PHYRE

KYEL DANCEY

His expertise at the highest level has given Phyre Apparel the edge in producing professional sportswear.

DANIEL ROMEO

MANAGING DIRECTOR

dan@phyreapparel.com.au

Dan Romeo is a graphic designer and entrepreneur with over fifteen years experience in the custom sportswear industry, responsible for creating some of Australian sport's most recognisable designs and logos, both grassroots and professional.

Dan has produced designs for organisations such as the Gold Coast 2018 Commonwealth Games, NRL, AFL, NBL, ARU, V8 Supercars, Dick Johnson Racing, Summernats, Winternats, Fox Sports, Yamaha, Kawasaki and Formula 1. These include official playing strips for the North Queensland Cowboys in the NRL, Melbourne Tigers in the NBL, and the QLD Bulls in the Sheffield Shield Cricket.

Dan's distinctive creativity sets Phyre Apparel apart from the pack.

DANIEL McKEOWN

SALES DIRECTOR

sales@phyreapparel.com.au

Dan McKeown looks after the front end of our company. Coming from an 18 year career in Sales and Business Management, his expertise and passion is on quality, both in service and in our products.

Dan has worked with some of the most prominent apparel manufacturers in the motorsports industry, focusing on cutting edge design and build quality to ensure that the wearers are not only comfortable but well protected; brands that you can see at the peaks of MotoGP, World Superbikes and Australian Supercross where quality construction and control is paramount.

Not just looking after sales, but making friends and building lasting relationships, Dan has worked hard to turn a hobby and passion into a career. A Jovial kind of character who loves to get stuck in and help out where he can.
